

KITCHEN BATHROOM / HOME INNOVATIONS

THE BATHROOM SPECIALISTS

• DESIGN • BUILD • RENOVATE

If you're thinking about renovating, the kitchen and bathroom are two major areas that can increase the value of your home. Experience the stress free service you'll receive from KBHI and enjoy the stunning results for years to come.

NEW BATHROOMS DESIGNED AND INSTALLED - YOUR RENOVATION SPECIALIST

The bathroom is your personal sanctuary and the team at KBHI can turn your dreams and ideas into beautiful and affordable bathrooms. We will co-ordinate your bathroom renovation from start to completion ensuring all trades such as plumber, electrician, water proofer, tiler, plasterer and cornice works can all be organised which will make the renovation process flow smoothly.

We will provide you with a creative and functional bathroom design and offer a high level of professional service.

At KBHI we can offer much more than a new bathroom. If you require building works, walls and windows removed or installed, we are fully licenced to provide this service to you. We are fully licensed in Queensland (QBCC 1304645) and NSW (NSW 282188C) this confirms our knowledge and commitment to our industry and our customers.

Just contact us to discuss your next project and arrange a consultation with one of our experienced team members.
